

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF PUERTO RICO

IN RE:

RIO PIEDRAS EXPLOSION
LITIGATION

Consolidated Case
Civil No. 96-2443(JAF)

ORDER

On February 13, 2004, Honorable Robert J. Ward entered an Order commanding that the private settlement amounts originally awarded to claimant Pedro D. López-Fernández be forfeited and returned to defendants (**Docket No. 3677**, first decretal paragraph).

The record reflects that thereafter plaintiff López-Fernández was contacted and submitted a properly executed General Release and Assignment of Rights as required by defendants (**Docket No. 3715**, third numbered paragraph).

Accordingly, it is now **ORDERED** that the Order dated February 12, 2003 (**Docket No. 3677**) be modified. It is also **ORDERED** that plaintiff Pedro D. López-Fernández's claim be reinstated and plaintiff be awarded the settlement amounts to which he is entitled.

SO ORDERED.

At San Juan, Puerto Rico, this 5th day of August, 2004.
